TOURIST COURT FIRE LOSS TO EXCEED \$5,000

The loss resulting from the fire that destroyed a 25-by-40 foot auxiliary building at the Lincoln Estates tourist camp on route 30, two miles east of rt. 45 has been estimated at between five and six thousand dollars. The 15-year old daughter of the proprietors a L-W freshman, suffered minor burns in rescuing the family car.

The building housed the linen room, a pump room and a garage and tool room, and was located in center of an open square formed by the cabins.

The flames, fanned by an east wind, threatened one of the cabins and a neighboring shed but members of the Frankfort volunteer fire department, who were at the scene within a few minutes after the alarm had been received, succeeded in keeping the fire from spreading.

The property is owned by Mr. and Mrs. LaVerne C. Lilly. They were working last Saturday, getting the cabins ready for the season, and about 6:15 noticed smoke coming from the roof of the building. As they ran toward the structure the smoke suddenly increased and then flames broke out. Origin of the blaze is undetermined, it was reported, but it appeared to have its beginning in the space between the ceiling and the roof. The flames spread rapidly so that by the time firemen could arrive from Frankfort they had gained too much headway and the only thing the men could do was prevent the fire from spreading.

They were given a hand in this by neighbors who formed a bucket brigade.

Girl Saves Car

Before fireman arrived but while flames were licking the interior of the portion of the building serving as a garage, 15-year old Yvonne Lilly, dashed in and drove the car out to safety.

The youngster suffered slight burns on her feet.

The car was badly scorched and will require re-painting. An electric pump that furnished the water supply for the court, was destroyed, as were all the linens for the cabins, garden tools, car parts, tools and other tools necessary in the maintenance of the cabins were marked down as a total loss. Mrs. Lilly also lost a set of china and other articles that had been given to her mother as wedding gifts half a century ago. The property was insured. Re-building is scheduled to start soon.

'LITTERBUGS' ARE PROBLEM

Forest preserve crews and public health officials are seeking cooperation of the public in their campaign against "litterbugs." "Litterbugs" are persons who use parks, forest preserves and roadsides as dumping grounds for trash. They may be picnickers or they may be householders who choose to dispose of garbage and refuse along highways or in the forest preserves rather than pay a private scavenger to remove their trash.

George Sefranek, who has been assigned to the forest preserves in the Tinley and Orland areas, is asking the public to help in keeping the preserves clean.

Two new picnic tables have been set up off 167th st., just west of Cicero ave. and already the area surrounding them is littered with empty cans, bar-b-q, paper and other refuse, although there is a trash disposal container on the spot to take care of this, Sefranek pointed out.

Roadsides too are taking on the appearance of garbage dumps, not only in southwest Cook county but in Will county too.

Forest preserve crews are taking action against the "litterbugs," and in numerous instances trash has been traced to the persons who left it and they have been compelled to clean it up.

In Will county Sheriff Roy C. Doerflinger and the county health department have taken action against "litterbugs." In quite a number of cases sheriff's deputies have traced garbage and refuse to the persons who dumped it along the highways and have made them clean it up. Repeaters, they said, will face court action.

New Lenox School Band Gives Concert At Mokena School

The New Lenox grade school band, under the direction of Robert Taylor, presented a short but excellent concert before the student body of the Mokena grade school last Thursday. The program consisted of solo and ensemble numbers by some of the top performers of the band, as well as numbers by the entire group.

The performance was given in return for the program presented by the Mokena grade school chorus at the Haven school, New Lenox, Tuesday, May 10. At that time the Mokena group under the direction of Mr. Glenn Miers, gave an excellent performance and received a good round of applause after each number.

STUDENTS TAKE TRIP

Nine representatives of the Lincoln - Way Chapter Future Farmers of America took a three-day trip to the Purina research farm and laboratory in St. Louis, Mo. The group was accompanied by the vocational agriculture instructor, Robert R. Van Rheaden and our 4-Hers from Manhattan. Students from Lincoln-Way were James Hobbs, Allen Rasmussen, Edward Martie, Russell Hamilton, Nancy Bovee, Kathleen Delaney, Sandy Eden, Joan Cryer, and Garrett White.

110 Attend Annual Mother - Daughter Dinner Of W.S.C.S.

With table settings reflecting pioneer days and the coming Centennial celebration, the annual mother-daughter banquet of the Frankfort Methodist church was held in the church dining room last week with 110 in attendance.

The tables were centered with kerosene lamps, on each side of which was a doll dressed in pioneer costume, and surrounding dolls and lights were miniature potted plants. Red, green, yellow and blue checkered table cloths were used for coverings.

At the conclusion of the dinner the potted plants were presented to the daughters.

Junior Choir Sings

Mrs. Frank Heisner, president of the Frankfort W.S.C.S., was toastmistress. Mrs. Ralph Steele, spoke for the mothers and he response for the daughters was given by Miss Mary Mark.

The Junior Girls choir, under the direction of Mrs. Steele, with Donna Miller as the pianist, sang "Mother," and "Mother Macree." Mrs. Dyke sang a solo, "Scarlet Ribbons." Also on the musical portion of the program was a clarinet selection played by Nancy Heisner with Donna Miller at the piano, and Janice Reimers played the accordion with Sharon Wolf at the piano.

Readings were given by Mrs. John Reed and Mrs. Jacob Hostert.

Award Prizes

Then the clock of the year was turned back and there was a forum discussion, centering about the past.

The dinner was prepared by the Frankfort W.S.C.S. and served by members of the W.S.C.S. of the Green Garden Methodist church.

Prizes were awarded to women present who were 75 or over. There were four present. Mrs. Emma Gierke, Mrs. Lilly Herschbach, Mrs. Clara Stanton and Mrs. Georgia Campbell. A prize also was given to Mrs. Laverne Harmon as the youngest mother at the dinner.

Joyce Swatek And Howard Bluth Take Marriage Vows

Miss Joy Swatek, of Frankfort, and Mr. Howard R. Bluth, of Joliet, were united in marriage in a double-ring ceremony May 7, in St. John's church, Joliet.

The Rev. Father Cecil Koop, O.F.M., officiated at the nuptial mass. The bride's father, Mr. Albert B. Swatek, gave her away. The bride wore a white satin full-length gown, fashioned with a stand-up collar and full-length sleeves, styled with cathedral length train of embroidered satin. The gown was custom-designed by her mother. The bridal bouquet was a cascade of American Beauty roses.

Maid of honor was Miss Helen Borgeois of St. Ann. She wore a lime-green lace and net floor length gown with matching rose head band, and carried a colonial bouquet of yellow roses. Miss Mary Lou Bluth, sister of the groom, was junior bridesmaid. She wore a similarly styled pink gown and carried talisman roses.

Albert Swatek, the bride's brother, was best man. Robert Juricic and Richard Gabrys, both of Joliet, served as ushers.

The bride's mother wore an aquamarine dress with white accessories and a white camelia corsage. The groom's mother wore a navy blue dress with pink accessories and pink camelia corsage.

Immediately following the bridal party was feted at a breakfast given by the groom's parents.

A buffet luncheon and reception was given by the bride's parents. Guests came from Chicago, Joliet, Frankfort, Chicago Heights, LaSalle, Peoria, South Bend, Ind., and Miami, Fla.

The groom graduated from Joliet Catholic high school and attended St. Procopius college in Lisle. The bride graduated from Bloom township high school, Chicago Heights, and attended Illinois State Normal University, Normal.

After a wedding trip through the west and southwestern states, the couple will reside in Fort Huachuca, Ariz., where the groom, who is serving with the army, is stationed.

BAND CHORUS AT L-W READY FOR CONCERT

The spring concert of the Lincoln-Way band and chorus, which is expected to become an annual event in the life of the school and community, is to be presented tomorrow night in the school gymnasium.

The program is to begin at 8 o'clock.

Director Robert C. Taylor will conduct the selections by the band while Mrs. Betty Tryon will direct the chorus. Rudy Guzik is to play a piano solo and Larry Phifer to give a baritone horn solo.

Vocal solos will be given by Carol Larson, Kay Miller and Wendell Anderson. Tickets may be purchased from band or chorus members or at the door.

VFW AUXILIARY OF MOKENA TO SELL POPPIES

The women's auxiliary of the William Martin post, Veterans of Foreign Wars, in Mokena, will hold their annual poppy day sale next Wednesday, May 25, it is announced by Mrs. Floyd Williams, chairman of the committee in charge.

Mrs. Williams is looking for members who will turn out for the occasion and help in the sale of these blossoms originally used as memorials to the dead of World War I. Since then they have come to serve the dead of all American wars, just as has Memorial Day.

The poppies sold are purchased by the veterans organizations from the former service men, now disabled and hospitalized.

The purchase of poppies from these men enable them to augment their slender resources, and in turn the purchase of these blossoms from the veterans organizations gives them funds to carry on their service work among needy ex-service men and their families, it was pointed out.

Mrs. Williams asks those women who will volunteer their services for Poppy Day, May 25, to contact her.

The commuters are tagged to and from the railroad station and then the taggers complete the job by going from door to door.

GOVERNMENT TAKES LAND FOR NIKE SITE

U. S. District Judge Walter J. La Buy has entered an order giving possession of approximately 117 acres to the government for Orland Park site C-54, in the army's air raid defense program, federal court files disclose.

Of this acreage, only 13.86 acres west of U. S. route 45 and north of 159th street belonging to Andrew Rafazek, 151st and 88th ave., in Orland Park, are taken outright for the installation site.

Another 33.24 acres west of the Wabash railroad tracks and south of 153rd belonging to Oak Park National bank is taken outright for a "control area," according to public documents in the case. The two locations are connected by a corridor on which easements are taken variously for a safety area, "line of sight" and access road.

As a safety area, in which no human habitation or buildings or gatherings of more than 25 people are allowed, two parcels of 16.08 acres and 6.72 acres are taken from Rafazek adjoining the site 13.86 acres.

Another safety area comprised of 13.28 acres was taken from Clifford Raschke, 151st and 88th ave., Orland Park, west of the site.

"Line of sight" easements taken are: 7.76 acres from Raschke, 8.80 acres from Lawrence Smyth, 151st and 88th ave., 44 acre from Pullman Trust and Savings bank, 23.51 acres from Charles H. Cooper, Beacon street in Orland Park, and 3.62 acres from Oak Park National bank.

How much the government will pay for the land will be determined later by the court.

Under federal law when the government obtains property through condemnation it takes possession immediately, which is contrary to procedure under state law.

Orland Firemen To Hold Big Dance This Saturday Night

The Orland Park Volunteer fire department will give their annual dance this Saturday night, May 21, at American Legion hall, 143rd and Keane ave., Orland Park. Elaborate preparations have been made to make this the "dance of the year," and it is expected that many people from neighboring communities will attend, as the Orland fire department has, on several occasions, forgotten about village boundaries to rush to the aid of nearby communities when fires were beyond the capacity of local fire fighting forces.

The dance will afford an excellent opportunity to visit with neighbors and friends, for those who do not particularly care to dance, and all will enjoy the wonderful dance music.

Tickets may be obtained from any of the fire department members, or at the door, or at Kirk's Grill or Eckert's Tavern, in Orland Park.

WCS ROCK RIVER MEET

The WCS of the Rock River conference of the Methodist church will hold their spring meeting in the First Methodist church in Elgin, this Friday, May 20 beginning at 9:30 a.m. Members from area are planning to attend. The principal speaker will be Miss Sallie Lou MacKinnon.

STUDIES PLAN TO RENT GRADE SCHOOL BOOKS

If plans now under consideration are adopted, pupils of Maue grade school in Orland township will rent their text books next year instead of buying them.

The Maue board has been discussing the proposal for some time now and have been giving thought to various angles. Tentative plans, it was said, include the purchase of the books now in use, at perhaps half the original purchase price - depending upon the condition of the book and if it on the list of texts to be used next school year. New books would be purchased by the board as needed, it was explained.

Rental rates, according to the talk, may run to one-third the purchase price of the book, plus some charge in the event of damage.

Those favoring the rental plan say it would be a convenience and less costly to the parents, as well as eliminate the delay sometimes encountered in the individual purchase of books.

Members of the school board indicate they would like to hear some expression from the public concerning the proposed rental plan.

Other school districts in the area are interested in the plan too it is said, and are waiting to see what action the Maue board takes and how it will work out the details.

Some school systems furnish text books to pupils without charge of any kind, the books being purchased out of the regular school taxes.

Mokena Vacation Bible School To Open June 6

A vacation Bible school is to be operated in Mokena under the combined auspices of the Methodist and Evangelical churches.

The school is to open June 6 and run for two weeks, Monday through Friday. The school will close June 17. Hours will be from 9 to 11:30 a.m. and the classes will be formed according to ages.

There will be kindergarten for youngsters 4 and 5 years old and primary classes for those 6, 7 and 8 years old. Children in the age group of 9 through 11 will be designated juniors while those 12, 13 and 14 years old will comprise the junior high classes.

Those in charge of the school expect the enrollment will reach 250, and the facilities of both churches will be employed.

The Rev. William J. Riemann, pastor of St. John's Evangelical church, has been chosen as director of the school. Rev. Dale Kleinschmidt, pastor of the Mokena Methodist church, and Mrs. Fred Ricketts, of the Methodist church, are co-directors. Other leaders, it was said, are being enlisted.

Escape Serious Injury When Car Rolls Over 3 Times

Twenty four year old Betty Jane Kasper of Rt. 1, Mokena, is fortunate indeed. Except for abrasions to her knees and some body bruises she apparently was uninjured as a result of an accident on Route 30, about three miles east of New Lenox. The accident occurred about 8:15 a.m. and was blamed on the wet pavement. Cars skid easily on wet blacktop, as Miss Kasper discovered. Her automobile, in which she was the only occupant, shot off the pavement and rolled over three times, coming to rest in a field on its top.

Miss Kasper crawled out of the car window and was taken to Silver Cross hospital. She was released from the hospital after x-ray examination failed to reveal any serious injury.

Expect 10,000 4-H Boys And Girls To Attend Camp

There is still ample opportunity for 4-H boys and girls to attend summer camp.

It is said that camping facilities in Illinois this year will take care of 10,000 boys and girls. Highest number to go in past years has been about 7,000. This means that more parents and 4-H leaders can encourage more 4-Hers to go to camp. Will county's quota this year is 150 girls and 50 boys.

Will county youngsters will go to Camp Shaw-waw-nas-see, which is located 10 miles north-west of Kankakee, for July 5-7.

Cook county 4-Hers will use the camp June 20-24, inclusive. Reservations are made thru farm bureau offices.

Those in charge of the program say camping is worthwhile because:

1. It gives youngsters a chance for physical development.

2. It gives boys and girls a chance to discover special talents, to practice leadership and to learn cooperative play in social recreation.

3. Special-interest groups in craftwork, nature study, group activities and evening programs stimulate mental development.

While most agencies serving needs of boys and girls have separate camps for boys and girls, 4-H camping from the beginning has been a coeducational affair. Boys and girls living in the same camp get the advantages of community living. Each cabin family is either all boys or all girls and is located in a boy neighborhood or a girl neighborhood.

Both boy and girl neighborhoods are jointly responsible for operation of the camping community. Community facilities include the dining hall, health center, waterfront, commissary, play fields, nature trails, craft shop and camp equipment. In this atmosphere of community living, each individual finds his place and responsibility as a member of a group or special-interest team to carry forward his civic duties as part of the camp program.

The progress they make in this new environment and memories of the new experiences are not easily forgotten. Young people often harvest the results years later when they find themselves club leaders, parents and citizens in a community.

L-W BOARD OPENS BIDS FOR NEW SCHOOL BUS

The regular monthly meeting of the Lincoln-Way school board was held last week with all members present.

Bids were opened on the purchase of a new school bus. Several bids already received were turned over to the board's committee for evaluating. The board committee will make a study of the bids they have and make recommendations in the near future. All of the local car dealers in the school district have submitted the proposition to the big companies that manufacture buses. The school now has six buses in operation, but will need one more as they will have 100 additional students next year.

The board also discussed at the same time what they plan to do next year about the auto driving class at the high school by a plan which has been sponsored by the Chicago Motor club. All local dealers in the area have offered to furnish an instructor's car at cost. The instructor's car which Lincoln-Way now has in operation was furnished by the support such Salvation Army services as a day nursery, medical and dental clinics, a settlement house, a summer vacation camp for children, mothers and golden agers, a wide range of family welfare services and emergency food and lodging for persons temporarily destitute. Among the doughnut day workers making the tour were Mrs. Matilda L. Steinhagen and Mrs. Dallas Webster, chairman and co-chairman of the event in Tinley Park.

Winners may attend the college of their choice and select their own course of studies. The railroad provides \$500 per year to pay on tuition and books for a four-year course.

Candidates should send in a certified transcript of their high school credits and college credits, if any, with a statement of extra-curricular activities while in school. Applications should be sent immediately to E. E. Foulks, chairman of the scholarship committee, Room 900, La Salle street station, Chicago.

AT MOTOR SCHOOL

Pvt. Irvin F. Holm, husband of Mrs. Betty Holm, Frankfort, has been selected to attend the 5th Armored "Victory" division's motor mechanics school.

During the eight-week course, he will be trained in the maintenance, servicing and inspection of military vehicles. The course will include the repair of various types of army vehicles, ranging from the 4-ton truck to the 2 1/2 ton heavy duty vehicle. Pvt. Holm is in training at Camp Chaffee, Ark.

CARD PARTY

A card party is to be given tomorrow night, May 20, at Summit Hill public school, by the Summit Hill Boosters club. Play is to begin at 8 o'clock and the public is invited. Hostesses will be Mrs. Mary Yunker and Mrs. Lydia Riha.

L-W Home Economics Class Studies Tots Of Pre-School Age

Starting Monday of this week the home economics class at Lincoln-Way sponsored an unusual project, a play group of youngsters of pre-school age. The project will be concluded tomorrow Friday.

The youngsters are brought to the school every morning by their mothers, and spend the whole morning in the home economics department. This play group which consists of 25 children, was organized in order to help the home economics students understand children's actions and behavior. The students note how different the three year olds act from the five year olds. This also helps the children learn to get along with the other children.

The sessions, which start at 8:30 continue to 11:30, when the mothers pick the children up. Activities, which start with roll call at 8:30, consist of coloring and beads, records, outdoor play, washing hands, eating snack, reading stories, rest, telling stories, playing outside, clay modeling and free play.

The home economics department is under the direction of Mrs. Florence Butler.

Mrs. C. M. Cleveland and Mr. and Mrs. George Smith of Clearwater, Fla., arrived by motor last Saturday to spend a few weeks visiting with friends in this area. Mrs. Cleveland is staying in the Joliet hotel in Joliet while the Smiths are visiting their relatives. This Friday they will all motor to Kalamazoo, Mich., to visit Mr. and Mrs. William Cleveland, the latter being seriously ill in the hospital in that city. Their next trip will take them to Iowa and then to Madison, Wis., where Mrs. Cleveland will attend the

55th reunion of her class at the university there.

Mrs. George Rinke is a patient in Silver Cross hospital where she is ill with pleurisy and pneumonia.

Gilbert Homerding was a patient in Silver Cross hospital Saturday where he was taken after having fell from hay mow and fractured his left wrist.

Mr. and Mrs. A. D. Hobbs of Argo, have moved into Howes apartments on Bryant st. They have a daughter, four years old and a son 20 months. Mr. Hobbs is employed at the Fournier Institute of Technology in Chicago.

Herbert Neumager of Sunny Acres left Sunday for Rushville, where he has purchased a restaurant. Mr. Neumager is experienced in this work.

Mrs. Elizabeth Capple, principal of Mokena public school attended the divisional meeting of rural and village schools of Will county, in Lockport Monday morning. Miss L. Nickell, state librarian at Springfield in the state superintendent of schools office, was the speaker.

The members of the Sacred Heart league of St. Mary's church had breakfast in the Valley View restaurant Sunday morning following communion. Mrs. John Roesener returned last week from Silver Cross hospital where she had been a patient for two weeks. She is recuperating in the home of her parents, Mr. and Mrs. Fred Rauch.

Mrs. William Riemann, Mrs. Adolph Steen and Mrs. Lydia Ryan attended the Philarama

at the theater in Chicago Monday. Mrs. Ryan will attend the concert to be given by the New York Philharmonic orchestra in Orchestra hall Saturday night. It has been 34 years since this outstanding group of out-standing musicians have appeared in Chicago and music lovers are fondly looking forward to it.

The PTA of the Mokena public school will meet next Tuesday evening May 24 in the school. Glenn Mier will demonstrate various band instruments. The new officers will be installed. Several grade mothers, with Mrs. Wendell Hamilton, room mother, will be hostesses.

Mr. and Mrs. Fred Steinhauser are getting nicely settled in their newly built home on South Mokena st., where they moved two weeks ago.

Mr. and Mrs. Robert Cupp who returned recently from Seattle, Wn., where the former was stationed while in service, have rented the cottage at 14 Front st., and expect to move there soon. After receiving his separation from the service, they enjoyed a motor trip down the west coast. At present they are living with her parents, Mr. and Mrs. Fred Werner.

Mrs. Clarence Breitbarth entertained in her home Sunday afternoon at a miscellaneous shower to honor Miss Shirley Heavener of Frankfort who will be married to Mr. Larry Harris of Mokena June 11. Sixteen guests were present. Games were played and refreshments were served. Miss Heavener received many nice gifts.

A son was born to Mr. and Mrs. Melvin Spiess of New Lenox in Silver Cross hospital May 12. The baby weighed 6 1/2 pounds and has been named Melvin Jr. He will be welcomed home by his two sisters.

The Wednesday Night women's bowling league held their banquet last Wednesday night at Valley View restaurant. Beside the bowlers, the wives of their sponsors were invited. The Mokena Branch of the New Lenox Lumber Co. team won first place. Each bowler was awarded a trophy and a larger trophy was given to the sponsor. Games followed the dinner.

Mr. and Mrs. James Fassett and daughter Carol returned recently from a six weeks motor trip to Orlando, Fla., where they were called by the death of his step mother, Mrs. Isabella Fassett. Burial was made in Madison. The Fassetts own a 200 Chapel Hill, N. Car., after acre ranch with an orange grove at Orlando. They also made business trips to Boston, New Hampshire and Vermont.

JOLLY TROOPERS
The first meeting of the Jolly Troopers 4H club was held Monday night in the home of their leader, Mrs. Herbert Wrath with 23 girls present. Miss E. Carson of the Home Bureau office helped organize the girls' summer session. Officers elected were: Barbara Nieman, president; Paula Muehler, vice president; Judy Marcee, secretary-treasurer; Barbara Daugherty, program; Lavonne Erdman, recreation; Rosemarie Munch, reporter; Gladys Rinke, song leader. Sheila Bennett, Gladys Rinke and Lavonne Erdman were chosen as delegates to the federation. JoAnn Hecht is Junior leader. The next meeting will be Wednesday May 25 at 7 p. m. in the home of Barbara Daugherty. Barbara Nieman will be assisting hostess. Girls, 10 to 21, are entitled to join and they must be present at the next meeting in order to be registered by June 1.

Keen-Teeners
Five eighth graders of St. Mary's parish were initiated into the St. Mary's Keen-Teen. May 10 in St. Mary's school hall. After the regular business meeting a game, based on 'Truth or Consequences' was used in the initiation. The new members are, Bill Klinger, Sharon Kuchenbecker, Carol Marti, Barbara Muehler and Diane Sorenson. The Keen-Teeners will sponsor a movie in the school hall Friday May 20, at 8:30 p. m., to which everyone is invited. A small admission will be charged.

The May meeting of the Woman's club was held Thursday afternoon with Mrs. Clayton Cleveland. Mrs. Mary Marshall was the assisting hostess. Dessert-coffee was served at 1:30. The president, Mrs. Charles Ingbar was elected president; Mrs. Charles Sievert, vice president; Mrs. Glenn Smith, secretary; and Mrs. John Riley, treasurer. Mrs. Victor Zaloudek and Mrs. Don Reid were in charge of the program. Crash bunco was played and prizes awarded to the winners. The June meeting will be a picnic in the home of Mrs. Fred Brown. Members are to bring a dish to pass.

The Hadleys Mother's club honored the six graduates of the school with a special program at the school Wednesday night. Each of the graduates had a part in the program which opened with a group of songs by the entire school. Accompanists were Alma Lauffer and Betty Anderson. An address of welcome was given by Cheryl Sass. The class motto, colors and flowers was presented by Dolly Blaha. A graduation poem was given by Edwin Ter-mude. Charles Lauffer told the class prophecy. Ruth Ann Benck gave the history of the class and Harold Collier the farewell address. Future ambitions were discussed by the class and their teacher, Mrs. Gladys Jensen. The closing number was a song, "I would be True". After the program, the Mother's club held a short business session. The annual election of officers resulted as follows: president, Mrs. John Hasibar and treasurer, Mrs. Otto Moravec. Plans were made for the school picnic to be held in Messenger's Woods Saturday, June 4.

The Freeman Fellowship met Sunday night with Mr. and Mrs. Russell Lauffer. The program was given by James Tilsy. Cecil Hale figured in an auto accident Monday night near Oak Forest when he was coming home from work. The accident occurred when a car pulled out in front of him. Both cars were completely demolished. Mr. Hale was taken to the Oak Forest hospital for treatment of minor injuries.

Mr. and Mrs. Don Reid spent the week end in Kansas City, Mo. Mr. Reid judged the Kansas City rabbit show. Laurel Sproat celebrated her eighth birthday with a party in her home May 4, various games were played with plenty of prizes for everyone. A Weiner and marshmallow roast was a big attraction topped off with cake and ice cream. Each guest was served an individual doll cake. Laurel's guests were Kathy Martin, Connie Corp, Doreen Smith, Patsy Peceniak, Jean Lauffer, Joan Stellwagen, Kathy Handorf and David Sproat. Mr. and Mrs. Durward Killinger and Scott of Joliet were Sunday evening guests in the home of Mrs. Adella Sproat. Mrs. Lena Miller of Ridge-wood spent the weekend in the home of Mr. and Mrs. Howard Handorf.

Heavy, uniform pigs at 8 weeks

The thing many hog raisers like most about Nutrena CREEP-20 is the way it builds heavy, uniform litters.

That's because CREEP-20 combines taste appeal plus high-level antibiotics for fast growth power and disease protection.

This powerful combination crams nutrition into baby pigs when they need it most—helps get uniform litters of heavy pigs at 8 weeks.

Order CREEP-20 for your baby pigs now.

Magnificently **alive!**

Alive in looks

Only car in its field with Body by Fisher

You can't get any more life in automobile styling than Chevrolet's "Body by Fisher." Those three words say all the nice, reassuring things you can say about automobile bodies. "Body by Fisher" is found in many of America's most luxurious cars.

Alive in power

A new V8 and two new Sixes reach new highs in horsepower and performance

You certainly want life in your engine. And with the choice of power-thrillers that Chevrolet offers you this year, you've got what it takes to carry you into a whole new world of motor-ing confidence and pleasure. How about trying the V8 soon?

Alive in features

Never found on a car of Chevrolet's price before

Anti-dive braking that means heads-up stopping. 12-volt electrical system delivers twice the punch. Ball-Race steering makes steering and parking easier. But try these things for yourself. Telephone or come in and let us arrange a demonstration soon.

1,000,000th Cow Bred by Curtiss

THE POPULARITY OF ARTIFICIAL BREEDING is well illustrated in the record of the Curtiss Candy Farms Improved Stud Service which recently bred its 1,000,000th cow. The cow, a Holstein in the Moosheart herd at Moosheart, Ill., is a daughter of Fabst Sir Roburke Ragapple and she was bred to Curtiss Candy Dandy Curtiss. Both bulls are in the Curtiss service widely used in this area through the distributor for the Curtiss program. Shown in the photo (from left) are Dean Dunn, herd technician; Merle Howard, Moosheart herdsman, and Herman D. Adams, general manager of the Curtiss Improved Stud Service which has its headquarters at Cary, Ill., 40 miles northwest of Chicago.

School News

LEARN TOOLS

Home maintenance and repair students at Carl Sandburg high, both boys and girls, have been the occupants of the shop since the beginning of the school year with the present group occupying the facilities since the end of the first semester.

Under the direction of Wendell Henderson, these students have been making cutting boards, knife racks, trellises, magazine racks, and are now making something of their own choice. Jo Aulwurm is making a salad bowl on the lathe; Rita Jo Waugh, a cutting board in the shape of a pig; Joyce Duehr and Alice Comiskey, knic-knac shelves; Barb Eijerdam, a lamp from a bowling pin; and Bob Brabene, a magazine rack.

The purpose of the class is to acquaint students with common tools and their operation.

HOMEMAKERS ELECTION

Wendie Johnstone, president of Carl Sandburg high school's Future Homemakers of America this year, was re-elected recently for the coming school year. Judy Hodges, this year's treasurer, was selected as vice president; Charlene Sippel, secretary; and Mary Mansell, treasurer.

These girls were installed on May 12 at a special meeting. The candlelight ceremony included the mothers of the FHA members.

MOKENA

First Grade

The first grade pupils enjoyed their field trip to Tinley Park. They visited the dairy. We were lucky to see a truck unload milk and to see the most modern equipment in use throughout the plant. They had a choice of drinks at the end of the tour.

Then we went to the bakery. The guide was very kind to explain things to all.

Second Grade

May 5 was a special day for the second graders, at Mokena school. It was the day for their field trip. Everyone was excited about getting started because their destination was Brookfield zoo. The time went by almost too fast, because we had so much to see. But our feet began to tell us when it was time to leave for home! Everyone had fun, and it won't be long till the children will be ready to go again.

Third Grade

The third and four grades are working on their spring bird book. This includes not only pictures and drawings, but also pertinent information on wings, feet and beaks.

Fifth Grade

The fifth grade is giving reports and drawing pictures about the western states. Friday an interesting report was given about our national parks.

Seventh Grade

The Seventh grade has been

hard at work the past week preparing for the Graduation Banquet. The class has the responsibility for decorating the gym and generally acting as hosts and hostesses for the graduating eighth grade.

ORLAND PARK

Mrs. Sherman Knox
Orland Park 211W

The Day circle of Orland Park Methodist Church WSCS will meet Thursday morning at 10:30 May 26th in the church Annex, with Mrs. James Creer, chairman presiding. Luncheon will be served at noon, devotional period will follow. Election of officers will be held at the regular meeting which follows the devotional period. All members urged to attend. Hostesses will be Mesdames Marie Cooper, Marvin Cooper, and Elizabeth Beauregard, who will serve dessert and coffee.

Election of officers was held at the Adult Bible class of the Methodist church, when they met at the home of Mrs. Harvey Cooper, Wednesday evening, May 11, Dr. B. J. Rooth presiding. The following officers elected were: Mrs. Thomas Cooper, president; Dr. B. J. Rooth, vice president; Mrs. John Loebe, treasurer; Mrs. Harvey Cooper, secretary; Mrs. Howard Cooper, appointed chairman in charge of "cheer" department. The group had an interesting meeting and enjoyed refreshments served by the hostess committee.

At the Evening circle meeting of the WSCS, Methodist church, held in the church annex, Thursday, May 12, election of officers took place. Mrs. Marvin Cooper, chairman; Mrs. Harold Shroats, assistant chairman; Mrs. John Homerding, secretary and treasurer; Mrs. Everette Heatherwick, devotional chairman, Mrs. Earl Reish, Jr. and Mrs. Ralph Sje in charge of fancy work. Final plans for the style show which will be held in the church social room, Wednesday evening, May 25 at 8 p.m. Tickets are available from members or may be had at the door. The public is invited.

Mrs. Robert Nickle attended the Castleton, Indiana, high school alumni, Saturday, May 7, where 165 former graduates were present. Six out of nine students in her class were able to attend. Mrs. Nickle accompanied Mrs. Naomi David of Chicago. They greeted friends they had not seen in 27 years.

Henry Horn of Charles City, Iowa came to Orland in April to spend the summer with relatives, and while visiting he became ill and had to be taken to Little Company of Mary hospital where he underwent surgery. He has been released from the hospital and is staying with his sister, Mrs. Rose Uthe on 82nd ave. He is convalescing nicely.

Mrs. Sherman Knox is being congratulated on the arrival of a new granddaughter, Saturday, May 14 at St. Francis hospital, Blue Island. The infant weighed 6 pounds 13 ounces and has been named Elalee Louise. Her parents are Mr. and Mrs. Arlo Bivens of Lemont.

Mr. and Mrs. George Thoms, Jr. were host and hostess at a communion dinner, for their son Franklin Sunday. Franklin made his First Communion at St. Michael's May 8.

Their guests were Mr. Leroy Yates, Mr. Charles Yates and children of Steger, Ill., Mr. and Mrs. Geo. Thoms, Sr., Mr. and Mrs. Joseph Mageria and daughter, Mr. and Mrs. Carl Bockmann of Blue Island, Mr. and Mrs. Albert Benck of Worth, Ill.

Pvt. LeRoy C. Kramer, son of Mr. and Mrs. W. J. Kramer of Orland Park, was recently assigned to Headquarters section, 340th service unit at Ft. Campbell, Ky. where he also received his basic training. Before entering the service LeRoy was a professional baseball player.

Coal, first discovered by Europeans in South Africa in 1699, is now more important than diamonds, production in 1953 totaling 30,500,000 tons. Since the first mines were opened in 1864, production has amounted to 760,000,000 tons.

A University of Illinois dairy specialist says that neither the outlook for prices of lower grades of beef nor prices of dairy products appears to warrant holding cull dairy cows for a later and higher market.

Before you buy any range, find out

Which is Faster

FLAME TYPE 5 minutes 31 seconds—still below boiling point
ELECTRIC 5 minutes 31 seconds—at boiling point

RESULTS OF RECENT IMPARTIAL RESEARCH:
Independent engineers of the R. W. Hunt Company (who made this series of tests) stated: "We ran several speed studies—comparing 3 modern flame-type ranges against 3 modern electric ranges. One electric surface unit boiled a quart of water in 5 minutes and 31 seconds. That was 56 seconds faster than the best flame-type burner tested. We made twenty-one tests in all. Results showed that the three electric ranges averaged 40 seconds faster than the three flame-type ranges." (All ranges tested were top brands.)

The answer: Nothing cooks faster than today's electric ranges!

If you have to get meals in a hurry, you know speed is important. But modern electric cooking offers more than speed.

For instance, when you cook vegetables the waterless electric way, the flavor is all there! And don't worry about scorching, because the electric unit heats the pan evenly.

There's no cooler way to cook than with a new electric range. Electric ovens are so well insulated they keep your kitchen up to 10 degrees cooler than flame-type.

Heard about our New Installation Plan? It can save you important money on installation of a new electric range. The Plan is available at all appliance dealers' and Commonwealth Edison or Public Service Company stores. Makes owning an electric range so reasonable there really isn't any reason to wait.

New electric ranges low as \$2.16 a week, complete, installed!

We wish to thank the Altar and Rosary society, friends and neighbors for their sympathy and for the floral offerings, and cards.

MRS. ANN STORM, BARBARA JAMES and RICHARD STORM

CARD OF THANKS

We wish to thank the Frankfort fire department for their quick response for the fire at our tourist court and for their efficient help in extinguishing the fire and preventing it to spread to our other buildings.

MR. and MRS. LAVERNE LILLY

A farewell party was given recently in honor of Mrs. Philip Howell, the former Miss Mary Louise Vaughn, in the home of Mr. and Mrs. Don Ball. Mrs. Howell is leaving to join her husband at the air force base at Cheyenne, Wyo. Games were played followed by a weiner roast. Guests present were her parents, Mr. and Mrs. Ray Vaughn and children, Mr. and Mrs. J. C. Vaughn and family, Mr. and Mrs. Gordon Letts and family, Mr. and Mrs. Larry Vaughn and daughter, Thomas Vaughn, Richard Arnold, Mrs. Sam Griggs and Miss Marena Burian.

The Women's Mission circle of the Calvary Baptist church held its annual mother and daughter banquet Thursday night, May 12, members of the Ladies Mission circle served the dinner. The decorations were individual May baskets. Mrs. Donald Ball served as toastmistress. The invocation was given by Mrs. S. E. Waldemer, followed by group singing of "Faith of Our Mothers." The tribute to mothers was given by Nancy MacDonald, the response was given by Mrs. Swinson.

Acknowledgements were made in the form of a corsage to the eldest mother, Mrs. Anna Pauling; the youngest mother, Mrs. Richard Vaughn, and the youngest grandmother, Mrs. Richardson of Chesterton, Ind.

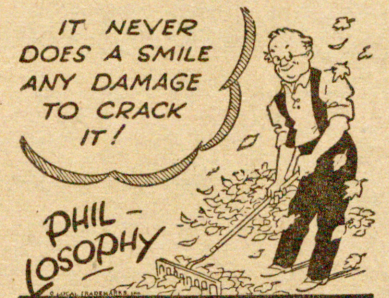

Mrs. Thomas Dyke sang "Scarlet Ribbons". A group of girls Sharee Brooks, Nancy MacDonald, Betty Chapman, and Judy Abbot sang "Mothers Prayers Have Followed Me".

Recitations were given by Judy Abbott, Marena Burian, and Mrs. Jo Vaughn. Group singing was enjoyed by all.

The speaker was Miss Sammy Hogue, of Radio station WMBI, and teacher at the correspondence school of Moody Bible Institute, she spoke on a mother and daughter of Bible times.

A. F. 1-c Robert Gunter, son of Mr. and Mrs. John Brandt, returned to their home on east end of Seventh St., Homer township Sunday following his basic training at Parks air force base in Calif. He will leave May 23 for Davis Monahan air force base in Arizona.

The Homer Woman's club was entertained in the home of Mrs. B. D. Brankley last Wednesday afternoon. Mrs. Robert Shepherd gave a talk on dolls.

Mrs. H. Reed Burch was hostess to the Prima African Violet club Tuesday afternoon, May 16. The Mothers' club of Hadley school gave a party in honor of the six girls and boys who will finish the eighth grade there this spring. They are Ruth Benck, Darlene Blaha, Cheryl Sass, Harold Collier, Charles Lauffer and Edwin Termunde.

Henry Burch has been ill for a few days this past week. Mrs. Milne spent several days in the Burch home helping to care for her father.

One hundred and 13 women attended the May Luncheon of the King's Daughters at Homer church Friday noon. The Rev. G. M. Taylor of the First Presbyterian church, Joliet, was the guest speaker. Mrs. John Hollister sang, accompanied by Mrs. Robert Henke of Lockport, who also entertained with a piano solo.

The lunch was served by the Missionary society with Mrs. John Loucks serving as chairman of the committee. The tables were decorated in lavender and white which are the Order's colors, and each table was centered with a blooming African violet plant furnished by Mrs. Loucks and Mrs. Reed Burch. The 15 guests at the speakers table were lavender and white corsages presented by the hostess circle.

Mr. and Mrs. Roger Myers returned home Monday from a motor trip to Pine City, Minn., where, on Saturday, May 14, they attended the wedding of her cousin, Deris Hebermann.

The Missionary society of Homer church will meet on Thursday, May 26 for an all day meeting at the church. Mrs. Guy Bump and Mrs. H. V. Drewes will be the hostesses. Sewing items should be brought to be sent to Mrs. Paul Reynolds at Pleasant Hill, Tenn.

Mrs. Mary Keating of Chicago spent the week end in the Drewes home.

The Rev. H. M. Finley of Lockport will preach at Homer on May 22 and 29, while Mr. Talbert will be absent because of pressing school work at the Seminary.

TAXPAYERS TO MAKE PROTEST

A mass march of irate taxpayers from all over the state of Illinois on the state capitol building in Springfield is being planned for early in June, George Mahin, executive secretary of the Taxpayers' federation of Illinois, announced today.

"The time has come," Mahin said, "when the taxpayers throughout Illinois must let their elected officials and representatives know in no uncertain terms that they are tired of being shoved around."

"The taxpayers have been the forgotten man as pressure groups demanding more taxes to permit more spending have packed the state house galleries and legislative corridors. Unless the taxpayers take a leaf out of the taxpayers' book, and descend on Springfield from all corners of the state, the taxpayers are going to take a shellacking at this session such as they have never had before."

"School needs can be met at this session of the general assembly and money can be provided for every essential state program with no new or increased taxes whatsoever. It is up to the taxpayers to howl loud enough to see that this is done. If it isn't done," Mahin concluded, "the taxpayers back home will know where to put the blame."

Coal underlies better than one acre in every 10 in the United States. These recoverable reserves of 949,870,000,000 tons will last for 1,508 years, or until 3463, at the all-time high annual rate of production of 630,000,000 tons, the level reached in 1947.

Improper Hitch On Tractors Can Kill Operators

To prevent a tractor from tipping backward, always hitch a trailing implement to the drawbar.

The farmer who ignores this advice may not get a chance to correct his error, says O. L. Hogsett, extension safety specialist at the University of Illinois college of agriculture. When a tractor tips backward, it often crushes the driver or pins him down. Each year several farmers are killed or maimed in this way. Spilled fuel catching on fire is an additional danger.

Modern tractors are designed so that they'll stall or lose traction before they will tip backward when implements are hitched to the drawbar. But that does not apply to hitching to the axle, around the power lift or to any point above the drawbar.

An improper hitch may not cause the tractor to tip backwards until you get into a tough pull or head up hill. When a tractor tips, things happen so quickly that one seldom has a chance to reach the clutch or jump.

Each of the coal-fired turbo-generators of the Ohio Valley Electric Corp., serving the Atomic Energy Commission plant at Portsmouth, O., will produce enough electricity to meet the needs of a city of 1,000,000 population, or a city slightly larger than St. Louis.

YOUTH SPEAKS
BY SHARON JOCHUM

Every Friday the sixth, seventh and eighth grades of the Tinley Park school congregate in the gymnasium for a manners period. Here they learn to dance. William Harris, Mrs. Helen Sandridge, and Supt. W. F. Fierke are in charge, with the help of the rest of the teachers. Lately the boys and girls have been practicing the "Grand March" for the seventh and eighth grade dance in June.

Many times basketball games are played during this period and the students receive instruction and practice on how to conduct themselves at a regular basketball game. Movies are also shown and instructions given to the pupils for conduct at a movie other than at school.

Boys from room 200 and room 102, the seventh grades of the Tinley Park school, are playing baseball games once a week at the "Memorial Park ball diamond." The first game was played April 28, and the second game May 6. Room 200 won the first game 10-4 and the second game 27-9. These games will be played until school lets out in June.

The captain of room 200 team is Jimmy Hood. Other members of the team are Bill O'Neill, Jim Parmer, Bill Cassell, Louis Dini, Tom Blount, Bob Jirka, Roger Klickmer, Ronald Elmore, Harlan Bettenhausen, and Richard Puffer. The captain of room 102 team is Tom Propp. Other members of the team are Howard Wehr, Dick Klepper, Peter Dolk, Bob Vander Meer, George Matula, Bob Dagnais, John DeVal, and Freddie Schaft.

BY JOAN BEAMAN
A trip to the Brookfield zoo was enjoyed by the eighth grade students of the Tinley Park school last week. Luckily the weather permitted the students to walk about the zoo. They were accompanied by their teachers, Francis Thurson and William Harris.
A new section has been added to the zoo, which young and old alike find very entertaining. It consists of different sections

containing baby bears, lamas, kangaroos, lions, leopards and many others. The visitors are allowed to hold the animals and watch them being fed. The section opened May 14 and is known as the children's zoo. There is a small admission charge.

BY BARBARA McCUTCHEON
Last week, May 9 and 10 all pupils of the Tinley Park public school took achievement tests.
The tests are given the beginning of the year and just before school closes, to determine how much the pupils have learned during the school year. The tests cover all the subjects given in school.

BY FRAN SWISHER
Having just finished their study on South America, Mexico and the Caribbean lands, the seventh grades of the Tinley Park school are now devoting their time to their own United States.

Under the direction of William Harris, Social Studies teacher, they are recognizing more fully their country's surface features, natural resources, agricultural products, minerals, industries and many more.

Visual aids such as the film strips Mr. Harris showed the students on forest preservation are also used.
Earlier in the year these pupils investigated early American history.

BY PATRICK REA
On Thursday, May 8, the eighth grade music classes had a talent show under the direction of Miss Jacqueline Rodenbush.

Each room got their own acts together. The children judged the acts themselves.

In room 302 Gail Kalat won first prize playing the piano, in room 401 Charles Smith won playing his drums. Miss Jacqueline Rodenbush complimented all the talent, and was pleased with the work they put into the show.

BY ED BROWN
An intramural baseball game was played at Tinley school under their coach J. Kostecki. The Wild Cats captained by Walter Eggert played the Red Cats captained by Wayne Goebel. The Red Cats lost by a forfeit because they didn't have enough men to play so Coach Kostecki and Dennis Tatum went on the Red Cats side just to play for fun, and the Red Cats won then 6 to 4.

BORMET - AMBUEHL
Mr. and Mrs. Otto G. Bormet of New Lenox announce the engagement and approaching marriage of their daughter, Leona Joy, to Harold R. Ambuehl, son of Mr. and Mrs. Donald Ambuehl of Mokena.
The wedding is to take place

at 3 o'clock the afternoon of June 11 at Trinity Evangelical Lutheran church at New Lenox, with the Rev. Erdmann W. Frenk, pastor of St. Peter's Lutheran church of Joliet, officiating.
Invitations will be issued but all relatives and friends are invited to wedding and the reception, that is to be held in the church parlors immediately after the ceremony.

by Carol Siemsen
At the home of Karen Bormet, the May meeting of the 4-H Hustlers was called to order by vice president, Warren Schultz.
Dairy projects were presented by Jerry Curl, Alex Krol and Bobby Curl. Discussions on gardening were given by Diane Krol, Carol Siemsen; while demonstrations were given by Walter Wille, Melvin Keuch, Richard Wille and Teddy Siemsen.
Six members are planning to attend the 4H camp in Kankakee, Ill.

The June 13 meeting will be at the home of Elaine Butzer. Refreshments for the evening were served by Mrs. Bormet.

ALPINE
Mrs. E. Mrosek
Orland 2841-R

Mrs. Winifred Meinert and Miss Carol Shoemaker, both of Joliet, have been engaged to teach at Maue school for the year 1955-56.

Mrs. Meinert has had twenty years teaching experience and has a bachelor of science degree in education from DePaul university. She became available because of her desire to teach in a rural school such as Maue. She comes highly recommended.

Miss Shoemaker is a graduate of Joliet Junior college. She is ambitious and expects to continue her education by attending night school.

Mrs. Meinert will teach the upper grades and Miss Shoemaker the lower grades.

The annual school picnic is scheduled for Sunday, June 5.

The last square dance of this year will be held at Maue Friday, May 20.

All members of the Maue school board attended a meeting of Orland township school boards held at the Doctor school Monday evening, May 9. David J. Heffernan, first assistant superintendent of Cook county schools, presided.

Problems such as state aid, schools for the handicapped, taxes, and many of the other problems which come before a school board were discussed.

The Maue school board attended a meeting held for further discussion of schools for the handicapped, at the Carl Sandburg high school Friday evening. The Maue school board met at

the school Thursday evening. Play ground equipment, building repairs and improvements, text book rentals, library books and other recommendations for the school were discussed.

Officers were installed at the meeting of the Maue Parent Teachers Association held at the school Wednesday evening, May 11. New officers are: Mrs. Norman Strassenberg, president; Mrs. Roy Walker, first vice president and program chairman; Mrs. Stanley Koveikis, second vice president; Mrs. Owen Maue secretary; Mrs. Raymond Knieriem, treasurer. Chairmen will be announced later.

Following the business meeting, Mrs. Chester Williams gave an interesting, handcraft demonstration on how to make Button Earrings.

Profits from the rummage sale held by the Maue PTA in Blue Island, May 13, amounted to approximately \$33.00.

WOULD LIMIT SUNDAY SALES

A bill designed to make Sunday a day free from unnecessary business activities was introduced in the state legislature this week by Representative William E. Pollack (R) of the 6th district.

The bill calls for an act to: "Prohibit the selling, dispensing, exchanging, or bartering of certain goods, wares, and merchandise on Sunday."

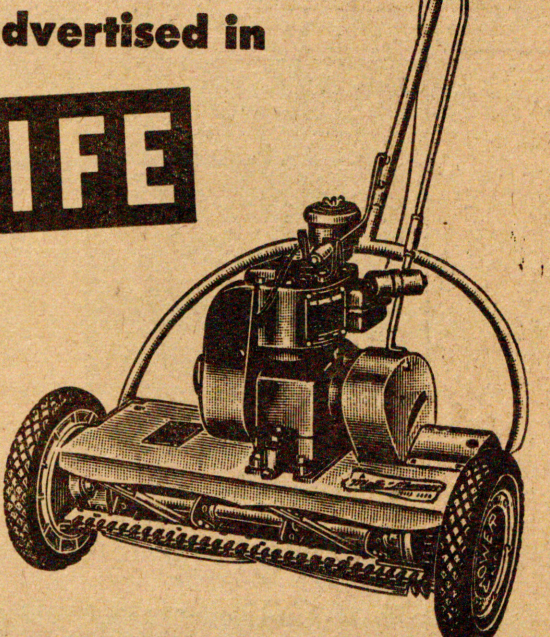

In commenting on the necessity for the act, Rep. Pollack pointed out: "It has become more and more evident that businesses, as hard as they try sometimes, cannot regulate their own Sunday closing because it seems there is always one or two rotten apples who ruin things for the great majority who want to keep Sunday as a day of rest and recreation."

Pollack made it very clear that the law will not apply to the sale of drugs, food, medical supplies, newspapers, and certain other goods and services which are either necessities or traditionally associated with immediate use for rest, relaxation, recreation or amusement.

BABSON SAYS—

Copyright, 1954, Publishers Financial Bureau, Inc.
Babson Discusses A Real "Gold Mine"

We will forget the stock market and consider something much more important, namely, some very valuable brain power which is going to waste. I have in mind especially the Brains of some of the so-called "physically handicapped."

1,000,000 Wheel Chairs
There are 165,000,000 people in the U.S. I estimate that about 500,000 of these are handicapped from polio and other diseases; 1,500,000 are living disabled veterans from World Wars I and II; over 1,000,000 are crippled from accidents; and about 150,000 are totally blind. There are many more suffering from total deafness and even inability to speak. These add up to 3,150,000, of which at least 1,000,000 have not the opportunity to make full use of their inherent talents.

Although they have pretty much been supplied with jobs of a kind, these 1,000,000 have not — as a rule — such jobs as will enable them to use their brains as they would like. This especially applies to those in wheel chairs and on crutches because — quoting an employer: "A wheel chair messes up the routine of the office or factory." In these days of keen competition management fears anything which might interfere with the flow of products or sales.

Money vs. Opportunities
The situation is becoming worse every year due to in-

creasing automobile accidents, of which 36,000 resulted last year in deaths for which there were total awards of perhaps \$400,000,000. Some will say that the non-fatal accidents and even polio can be offset by insurance, as there is no insurance which gives new limbs, new eyes, or even a fair chance to use one's brain. Yet, our brains are our most wonderful and valuable asset.

It is not more government money these physically handicapped need, but more opportunity to do creative intellectual work. Remember that in the above figures I am not including any medical or emotional mental cases. I am interested here in those who have distinct talents. Although the many unselfish agents and counselors of the Federal and State Governments are doing excellent work with the funds available, they deserve much more help.

Can Save Money
I estimate that of the above groups, one million adults are today able to use fully their brains and talents. However, much of this creative brain power and special talent is being overlooked. This is unfair to the nation, as well as to these people. Just think, with one million of these brains now idle, 8,000,000 working hours are lost daily, or more than 2,000,000,000 are lost each year. Based on only one dollar per hour, this means a loss of over \$2,000,000,000 per year.

Sings Praises
Let me applaud all those private organizations now engaged in helping unfortunates. I particularly have in mind certain Societies to Help the Blind, the National T.B. Association, the National Association for Infantile Paralysis, the National So-

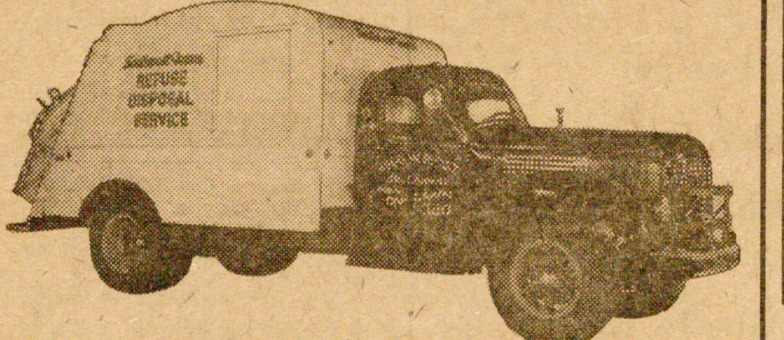

EQUITABLE LIFE Assurance Society

It costs no more to go "First Class"

You pay nothing extra for Ford's Thunderbird styling . . .
Luxury Lounge interiors . . . smoother Angle-Poised ride . . . nor for Ford's 23-year V-8 experience that brings you Trigger-Torque power!

Only Ford offers Thunderbird Styling
Take a closer look at those long, low, "front-running" lines. From the smart, visored head lights to the tapered tail fins, they're Thunderbird through and through. Step inside. Colorfully fresh new Luxury Lounge interiors make Ford truly your "living room on wheels."

Your new-car dollars buy more today. For example, a first-class ride in a first-class car is yours at Ford's low fare.

You command a Y-block V-8 that responds reassuringly when you need it. You have Ford's smoother Angle-Poised ride. And you own the car that's styled like the Thunderbird.

You can expect more when you trade, too . . . for Fords have been returning more in resale than any other low-priced car. Take a Test Drive and you'll see why!

Only Ford offers Trigger-Torque power
Whether you choose the 162-h.p. Y-block V-8 or 182-h.p. Special V-8, you get split-second "Go" when you want it. And with new Speed-Trigger Fordomatic Drive, you're even further out front . . . automatically.

THE NEW BEST SELLER . . .
sells more because it's worth more!

You'll Get Leafier Hay into Better Windrows... FASTER

with a
JOHN DEERE
No. 851
Side-Delivery
RAKE

With a John Deere No. 851 Side-Delivery Rake you do get leafier hay into better windrows faster, and you can rake at speeds up to 7 miles per hour. The Right-Angle Reel on the No. 851 gives you a leaves-inside-stems-outside windrow with half the forward movement as with a conventional type of side-delivery rake. The curved, spring-steel teeth gently lift the hay into loose, airy windrows that will

cure evenly giving you higher quality hay... increased profits for you in feeding or at marketing time.

Rugged construction is another of the many outstanding features of the John Deere No. 851. With a No. 851 you will have years of trouble-free raking. There are many more advantages of owning a John Deere Side-Delivery Rake. Come in today and ask for details.
